

Key of Memories

Nineteen Sixty-Three

Keystone High School

Key Of Memories 62-63

Foreword

In the '63 Key of Memories we have tried to capture just a few of the many things, people, and places that soon will become memories.

We pay special tribute to the Senior Class as they bid their farewells to our "halls of ivy." May this book bring back fond memories to these people, as they truly have contributed their part to the history of Keystone High School.

Although we have called upon the Flintstones to guide you through this annual, keep in mind that our school is a sharp contrast to their era as a result of the progress that we have made. We hope that you have an enjoyable journey, and that you will return in years to come to take another guided tour.

Class Will

We of the graduating class of 1963, with unsound minds and shattered nerves, but great spirits do hereby, knowing our remaining days are few, make known our Last Will And Testament.

First: To the Faculty and Administration we bequeath our worn out textbooks, used lunch tickets, and occupied seats.

Second: To next year's seniors we leave our lockers. May they be lucky enough to find the combinations.

Third: To the future generations, we leave our building; slightly marred and barely used.

Fourth: The following possessions we bequeath to the following unsuspecting beneficiaries. May they appreciate our generosity and cherish these possessions always.
